What is Adcover, Deposit Cover and Lifestyle Protection Plan?

If your car is written off or stolen and not received, AdCover** bridges the gap between what your insurance company pays out and what you still owe the bank on your car. Deposit Cover** contributes towards the deposit of your next car, only in the event of a total loss of the vehicle. The Lifestyle Protection Plan*** may pay your outstanding vehicle loan in full, to the bank, in the event of your death.

What is Tyre and Rim Insurance?***

Tyre and Rim Insurance is designed to provide you with cover in the event of your tyres or rims being damaged unexpectedly by road hazards.

What is Paint Tech?***

An insurance product that aims to keep the exterior and interior of your car looking as good as new.

Motoring plans can be complicated, but we'll help you navigate your journey.
